

ANDERSON POTS™

Long Term Value & Innovative Design

Anderson Pots

—the nursery industry standard.

➤ ANDERSON BANDS

Our reusable cross-bottom square propagation containers are legendary for root growth. Full bottom, bottom drainage bandpots available in several sizes, as well.

➤ ANDERSON SAUCERS

Anderson's premium, thick-walled saucers are available from 6" to 25" top diameter.

➤ ANDERSON POLYCANS

Top growers prefer our thick walled injection molded field pots because they perform better in a variety of growing and shipping applications.

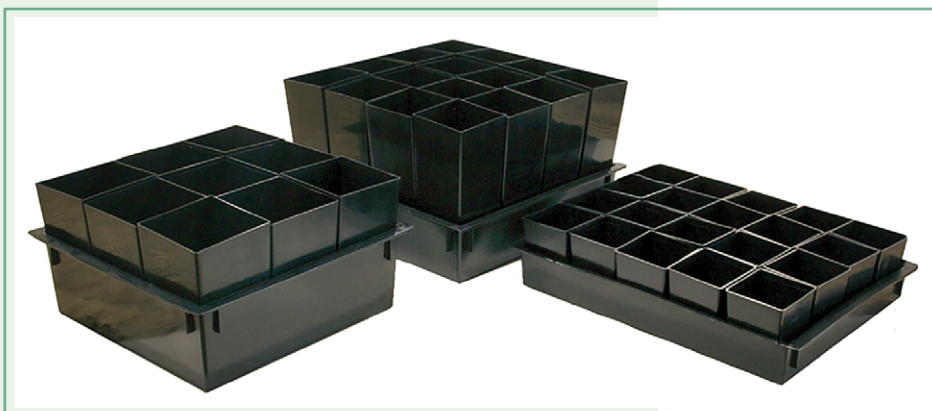

➤ ANDERSON GREENHOUSE CONTAINERS

We offer square and round greenhouse pots in bottom and side drainage versions for many popular sizes.

➤ ANDERSON FLATS

We build long lasting heavy duty nursery flats for propagation as well as the lighter duty 17" square and 10" x 20" flats.

*Our quality offers
your nursery
outstanding long
term value.*

Why Anderson Pots?

Our injection-molded containers, flats and saucers are quality, reusable investments offering growers excellent long term value. Our bands are the choice of many experienced propagators for superior root growth. Our flats are designed to properly fit our containers and are prized for their long-term durability.

Our prices are always competitive and always a good value. Growers tell us our pots and flats last and last. All our products offer outstanding long term value in an age of shortcuts, and cheap throwaways.
